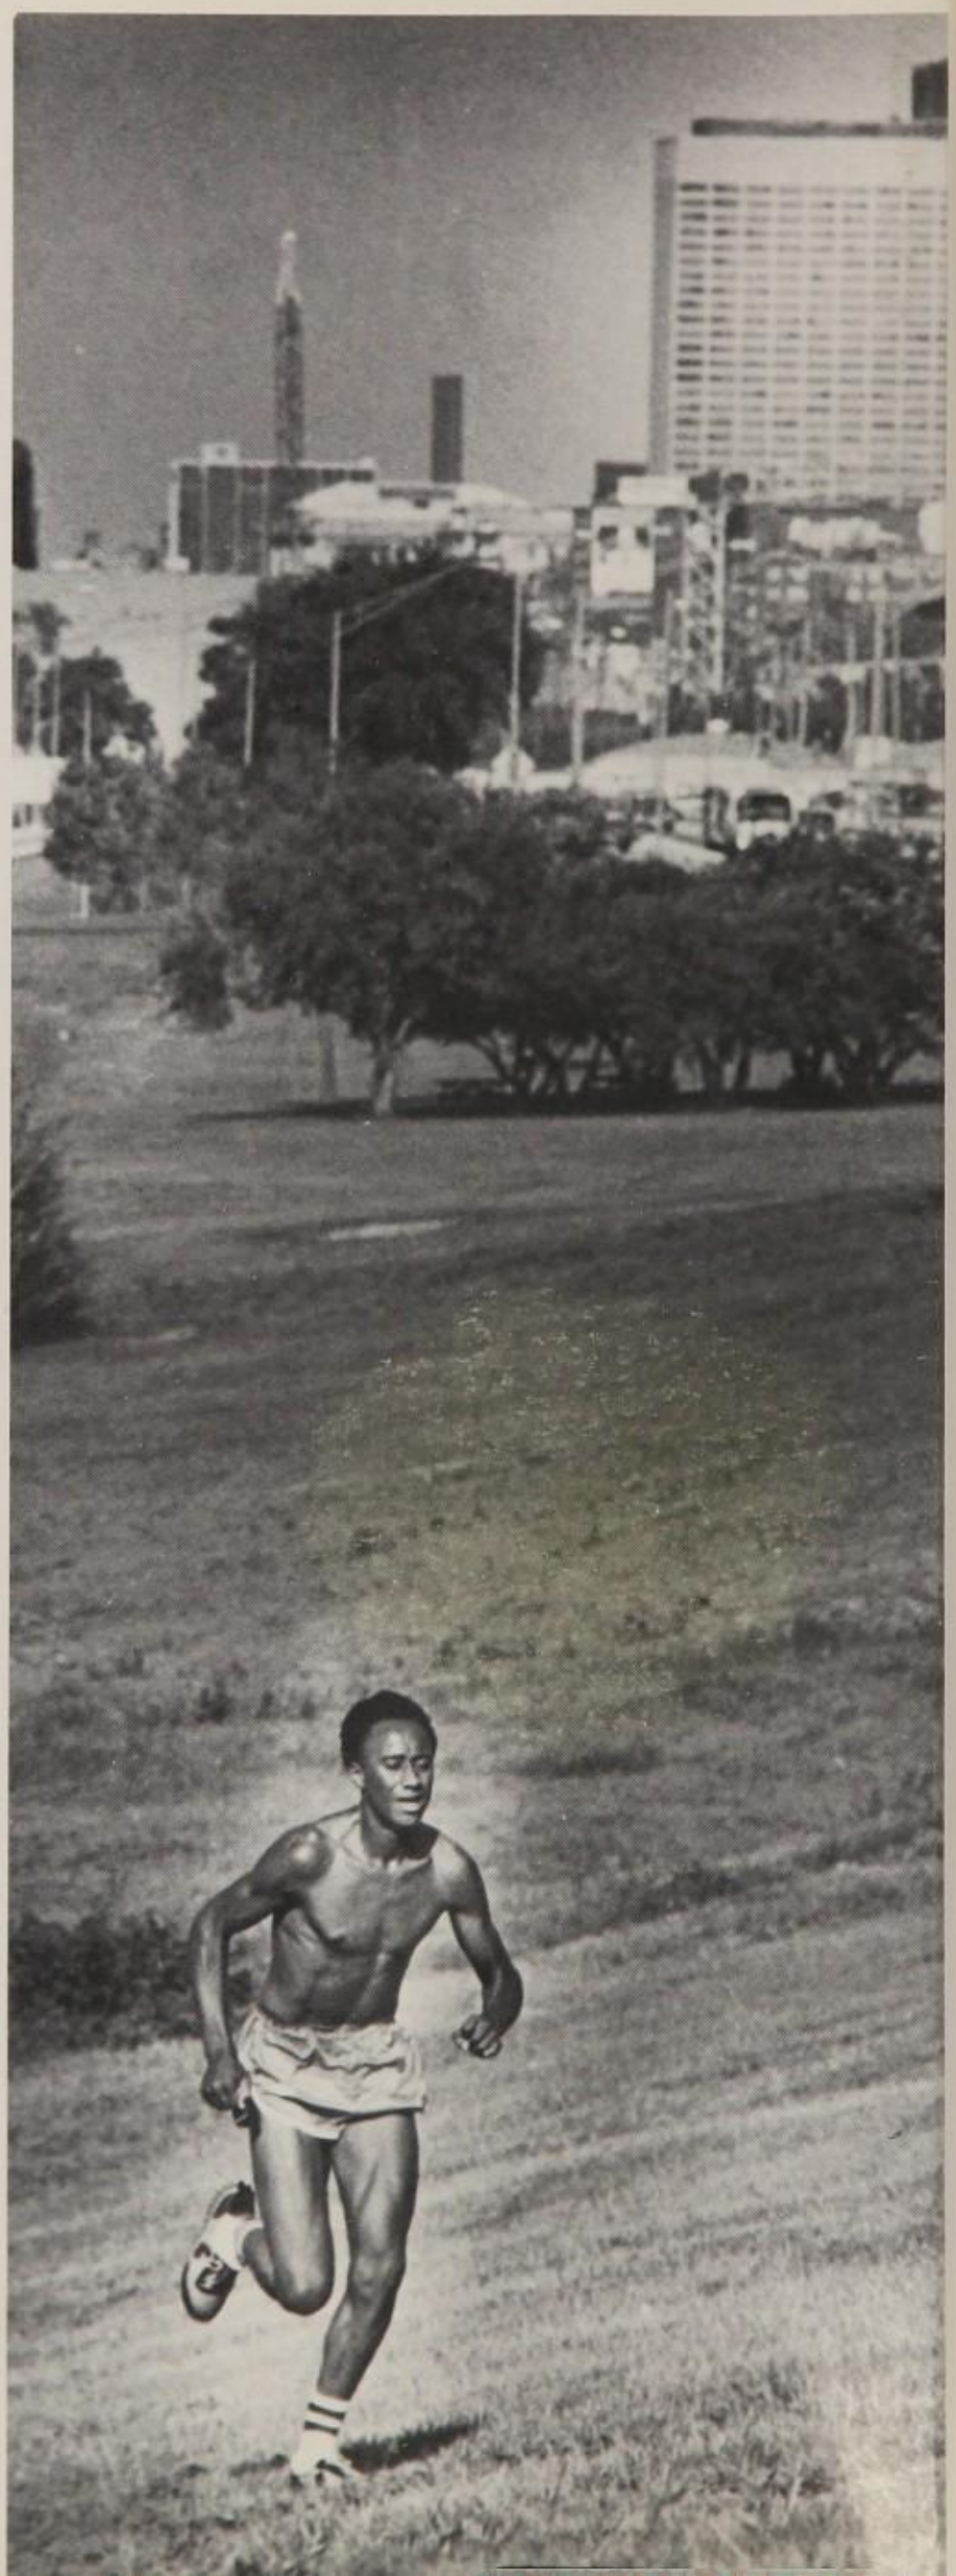
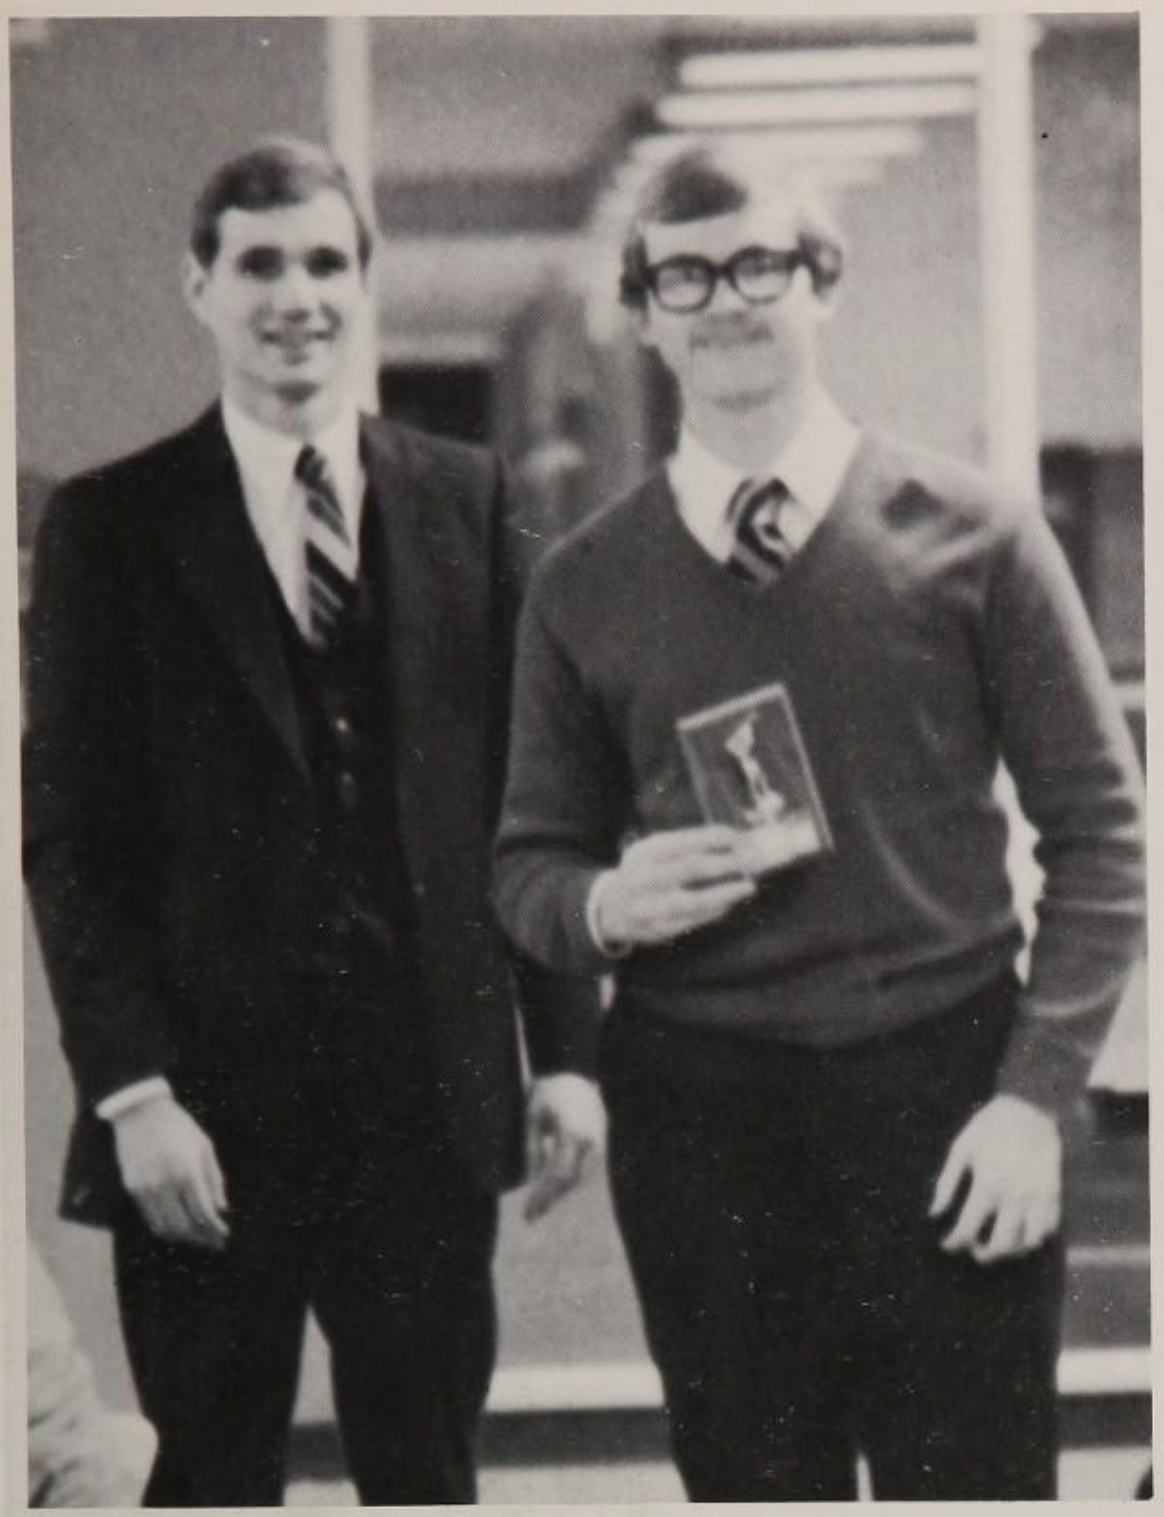
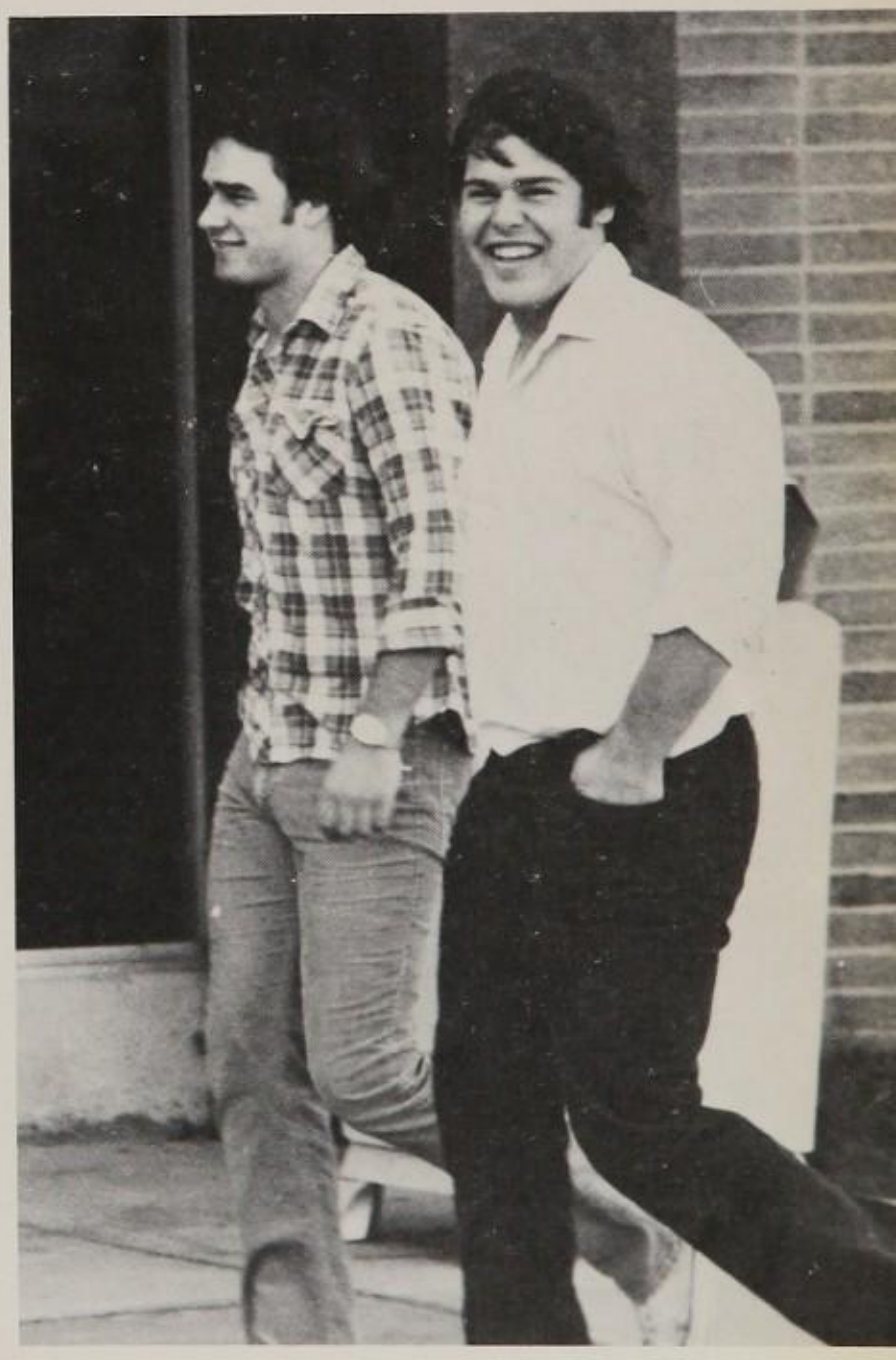
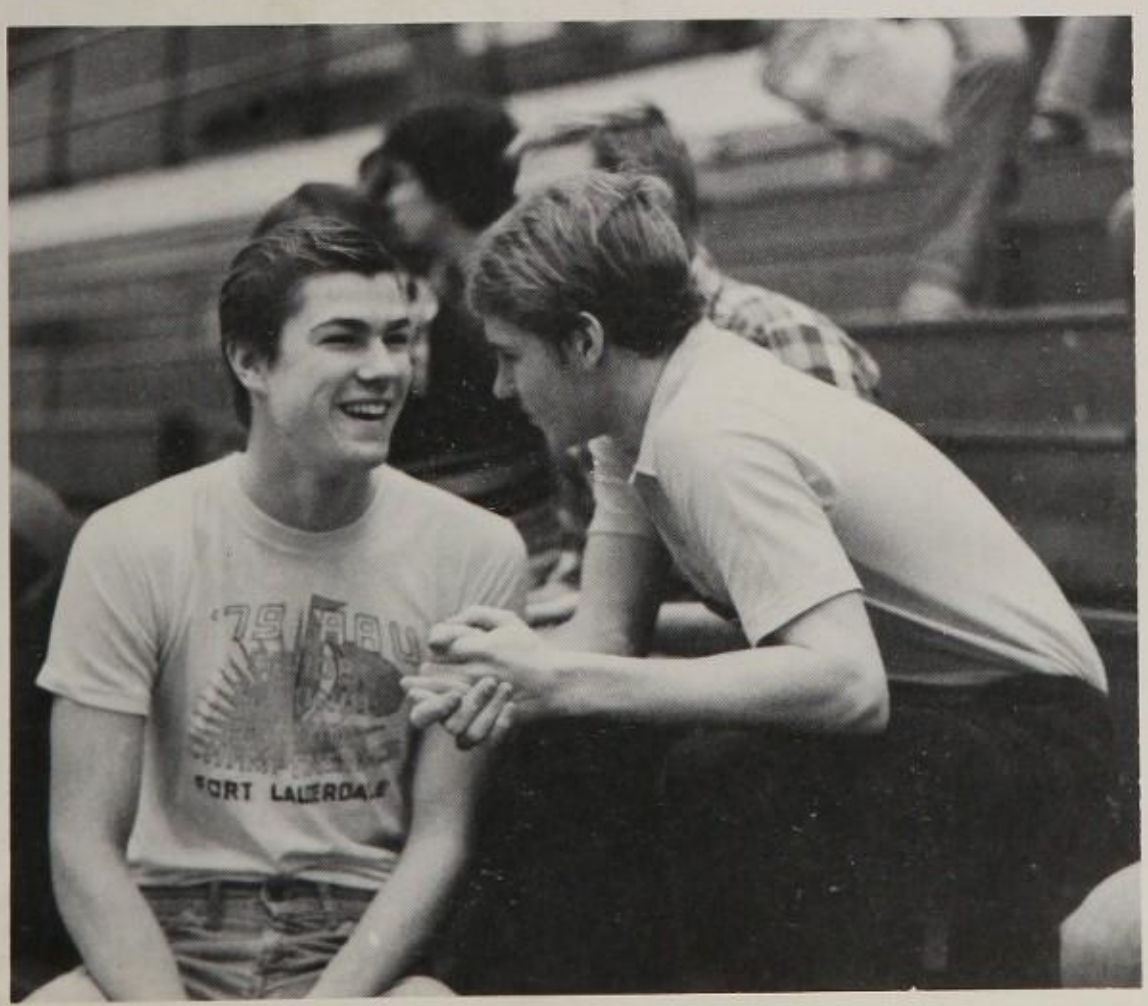
Bringing the students of LHS together with their individual ideals and goals,



Helping to form over a hundred extra curricular activities,

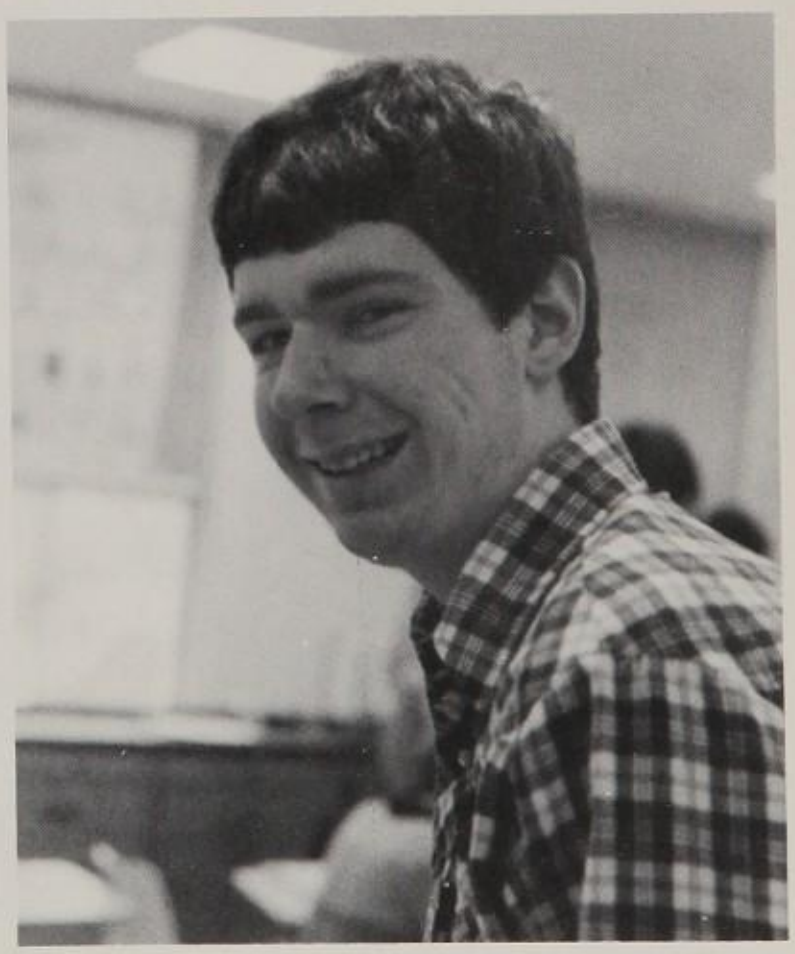






Each communicating the true essence of learning

is a major production.



Homecoming queen, Carolyn Wilder receives her crown jubilantly.

King candidate Chris Tri[illegible] queen candidate Stephanie Boy[illegible] enter the gym.

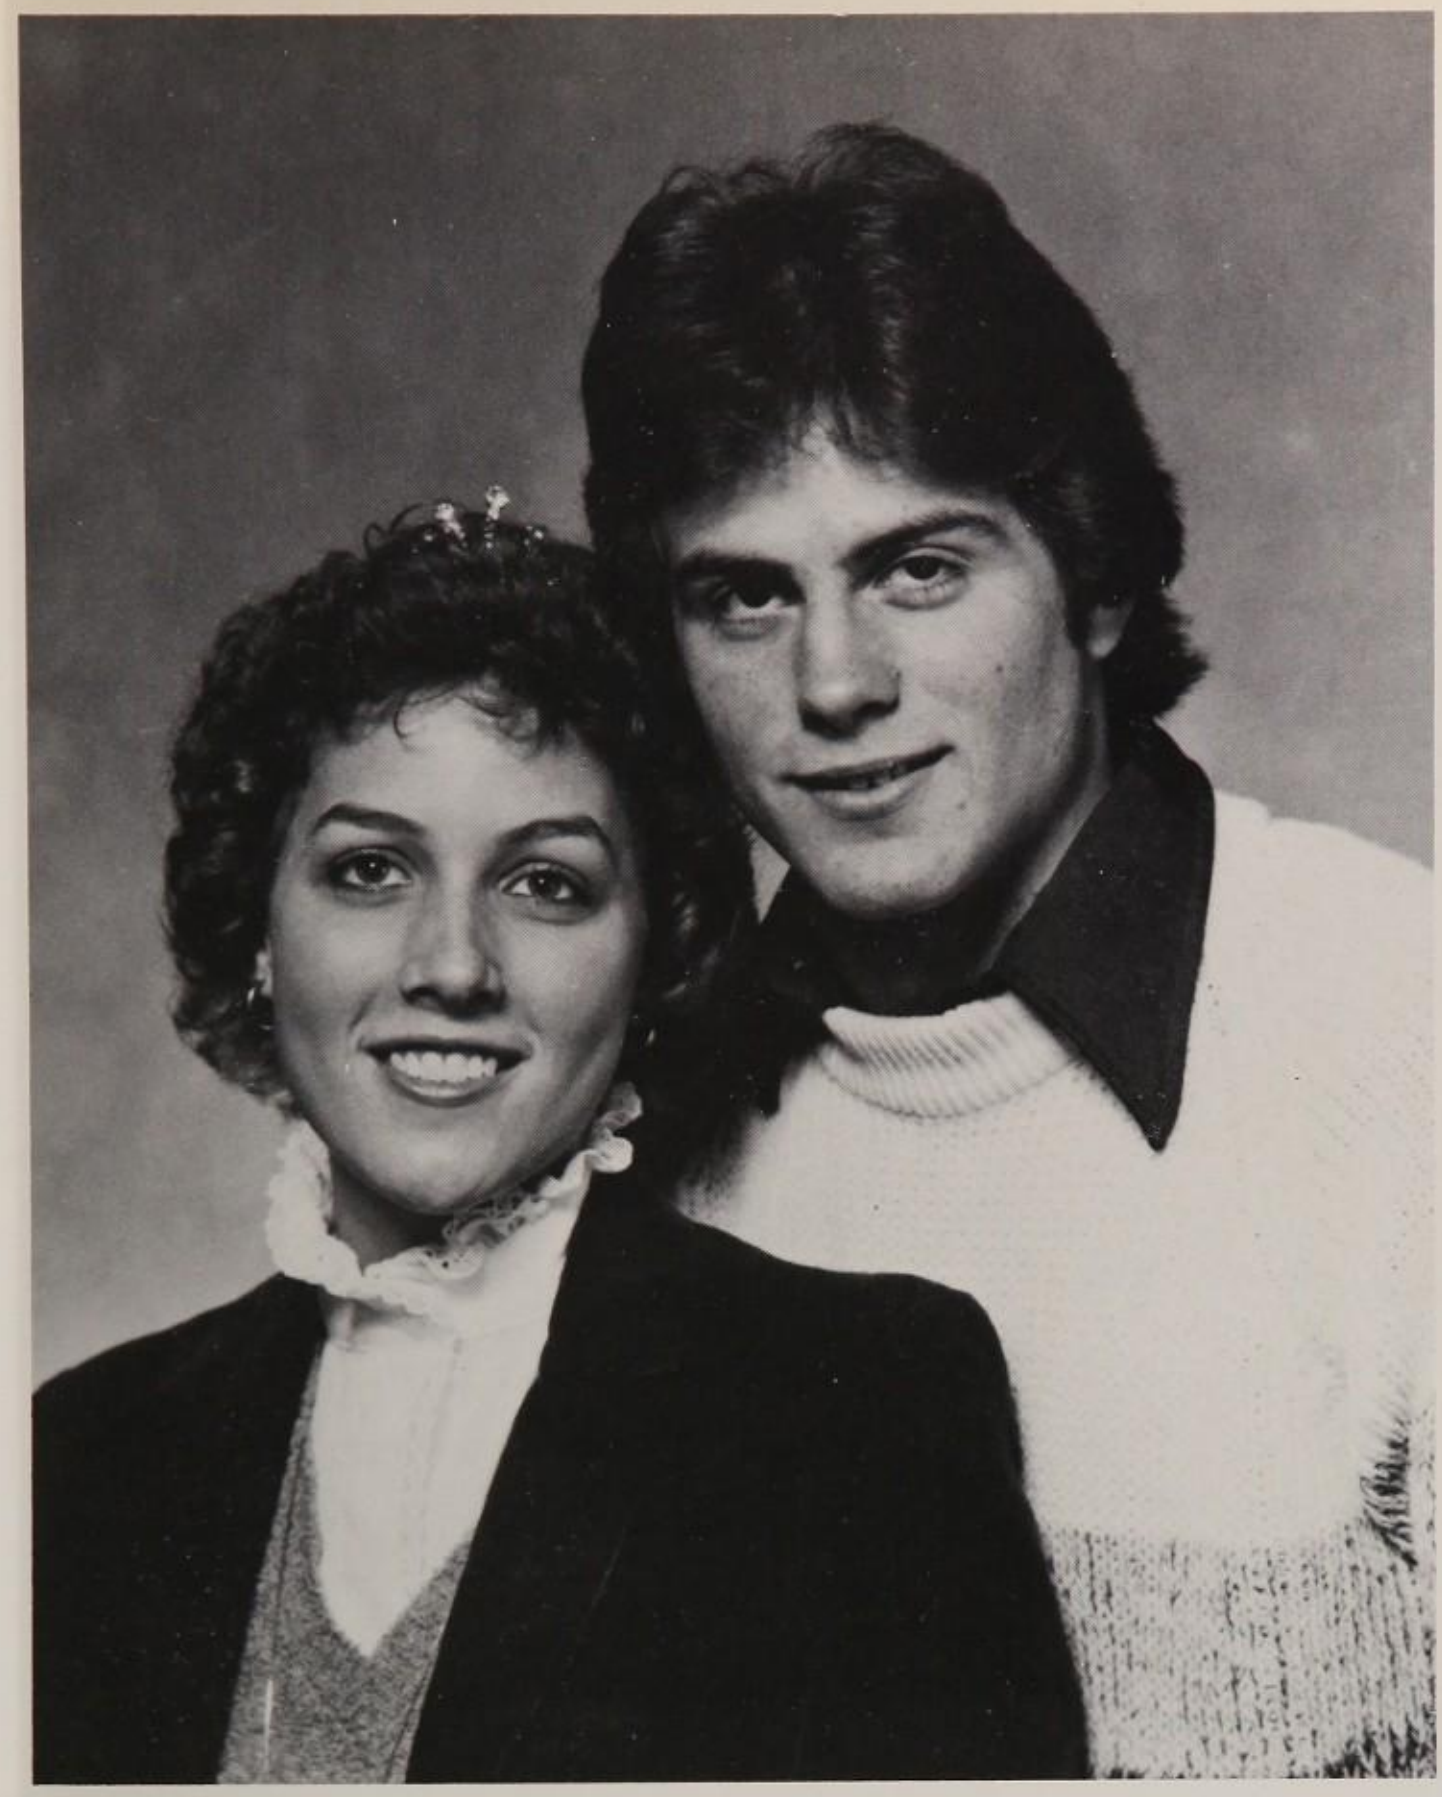
King candidate Eric Hamburg is escorted by his date Kelly O'Brien.

King candidate Paul Ebright with Queen candidate Erini Papandreas

Dave Harley reasures Leslie Chamberlin that even if they don't win he will still think that she deserved to.

WEEKEND OF EXCITEMENT

It was the win on the grid iron on Friday night that brought fun and excitement to those at the Homecoming dance on Saturday night. Queen and king candidates, Carolyn Wilder, Barb Pfeiffer, Erini Papandreas, Stephanie Boyd, Leslie Chamberlin, Paul Ebright, Eric Hamburg, Dave Harley, Dave Shestina, Chris Trigg were all introduced Friday night, but on Saturday night it was Queen Carolyn Wilder and King Dave Shestina.



Queen Carolyn Wilder and King Dave Shestina.

Queen candidate Barb Pfeiffer being escorted by her date.

Queen Carolyn Wilder and Dave Shestina discuss their next stop.

RANGERMANIA

HONK! — HONK! BEEP-BEEP-BEEP!! The horns sounded during the spirit parade festivities of this past fall. The cars rolled down the boulevards and avenues of Belle, Clifton and Bunts forming a loony party on wheels. 'Twas the beginning of the 1980-81 rally of RANGERMANIA.

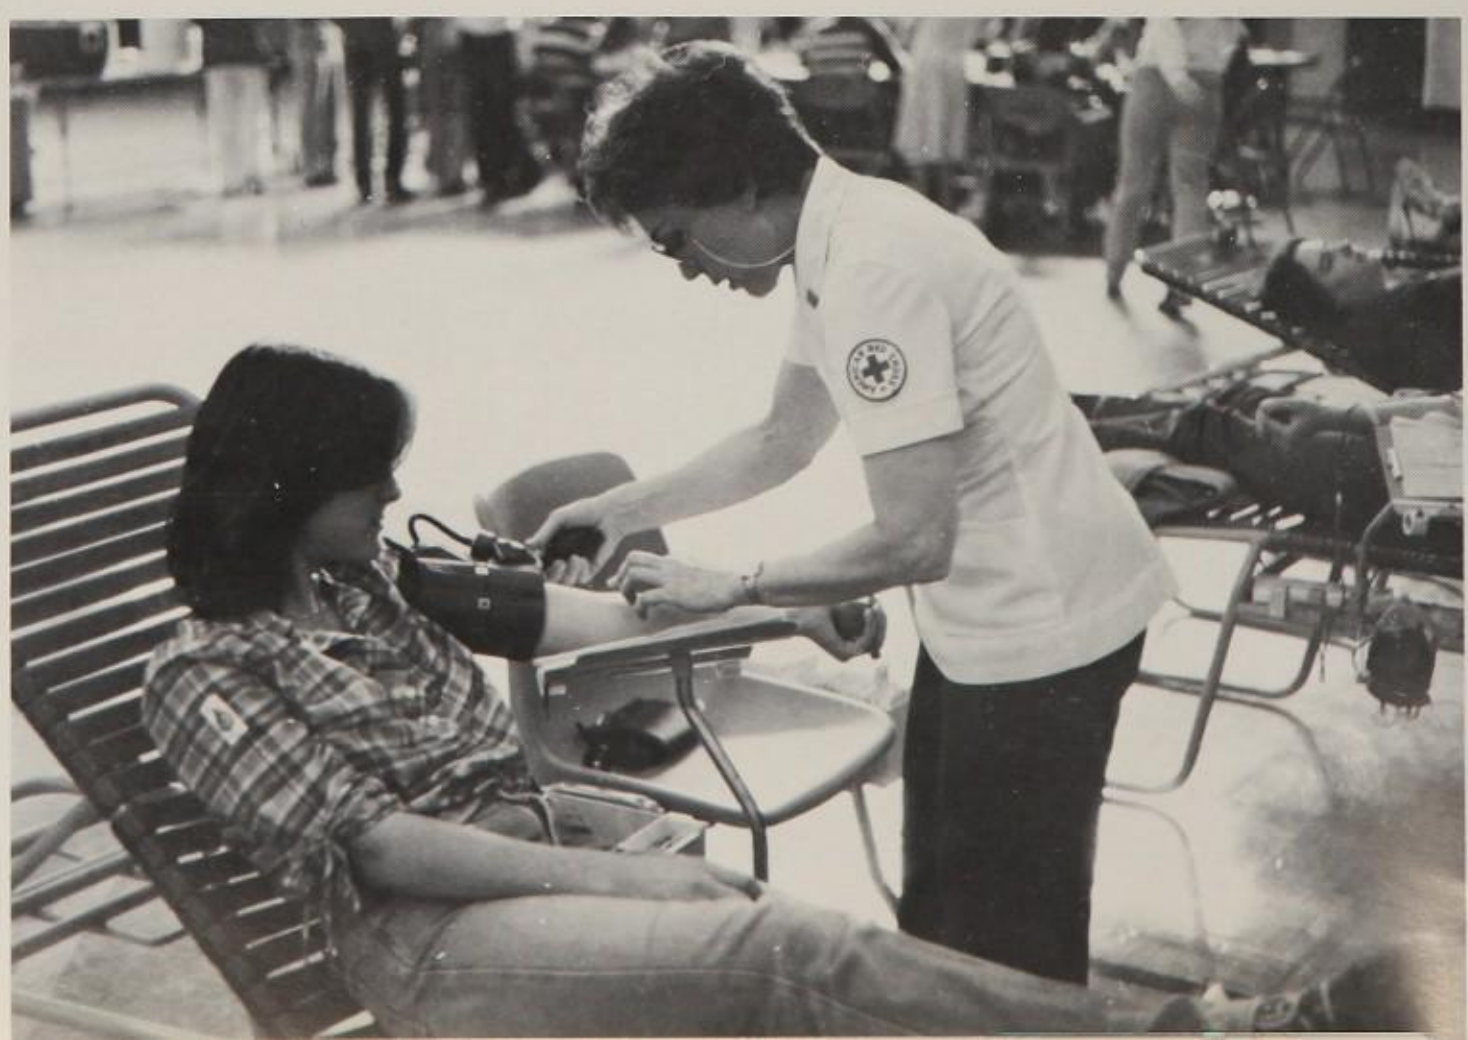
Bob Ashmun really didn't give blood he just wanted the cookie.

Kathy Grasser gives willingly.



BLOOD BANK GOES IN THE RED AFTER VISITING LHS

Once, again Congratulations to the Seniors and Faculty on over achieving our bloodmobile goal. The Bloodmobile was a **total success.** The Red Cross was very surprised to see the large number of blood donors. A special thank you, comes from the Red Cross.

Pete Nelson doesn't look too well.

John Butterfield and T. Mark Wagner relax while they give their pint.

Do I have to eat these things?

A date for Snowball.

Breaktime at last!

The Screamer twins exemplify the Christmas spirit.

The Symphonic Choirs in action.

TRUE SPIRIT OF CHRISTMAS PREVAILS

Envision a thousand children who would have gone without at Christmas time except for the generosity of the Lakewood High students who contributed a truckload of toys and $2,000 to the Toys for Tots Campaign. Over 200 seniors, dressed as elves, Santas, reindeer, gifts and Mrs. Clauses, were the main reason for the success of the campaign.

That's one good elf!

Emily, I want to bite your Antlers.

Those devoted elves.

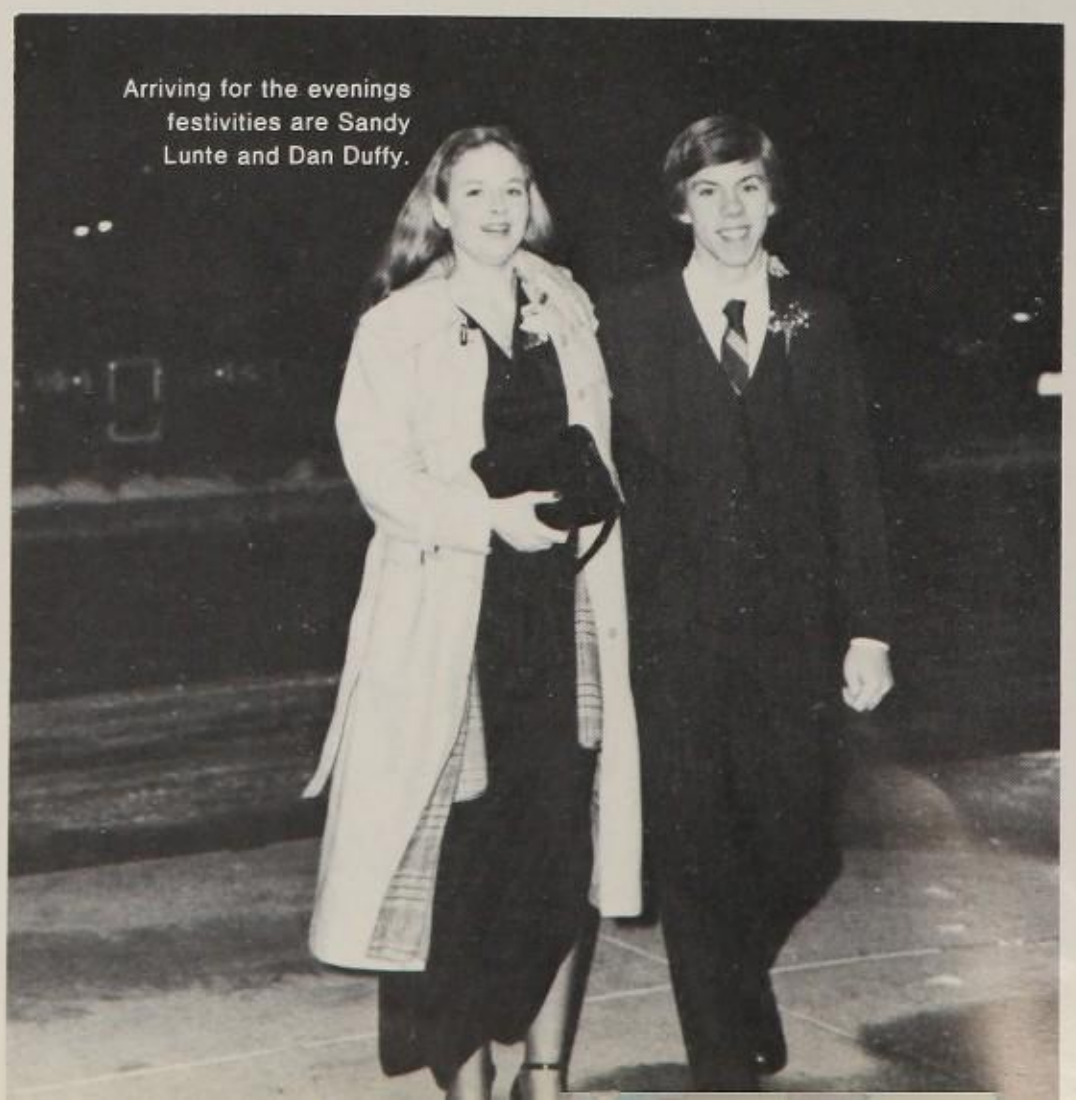
These guys had fun just sitting around and pretending to dance.

Denise Pasterik and graduate Steve Bir can't wait to get on the dance floor.

Fun for all; Gene Caraulia, Heidi Schwab, Laura Conaway, Mike Negre, Joe Reinman, and D. J. Reichtel.

LADIES CHOICE

Traditionally the Snow Ball Dance is held between Christmas and New Years, and traditionally the girls invite the boys. Wagners Country Inn provides the setting for one of the most popular social events of the year. The moment of truth arrives with the dinner check and the bill fees but the girls all agree it's worth the price.



Arriving for the evenings festivities are Sandy Lunte and Dan Duffy.

Right in step are Laurie and Ed.

A safe arrival by Patsy and Tom.

Making a perfect couple are Nils Teig and Valerie Hosaka.

The smoothest dancers on the floor were Prin. Hugh Meabon, and Mrs. Meabon.

Engrossed in a tête a tête are Mark Wanger and Monica Nist.

"The Long And Winding Road"

The Long and Winding road
That leads to your door
Will never Disappear
I've seen that road before
It always leads me here
Leads me to your door.
The wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day
Why leave me standing here
Let me know the way
Many times I've been alone
And many times I've cried
Anyway you'll never know
The many ways I've tried
But still they lead me back
to the long time ago
Don't leave me waiting here
Lead me to your door!

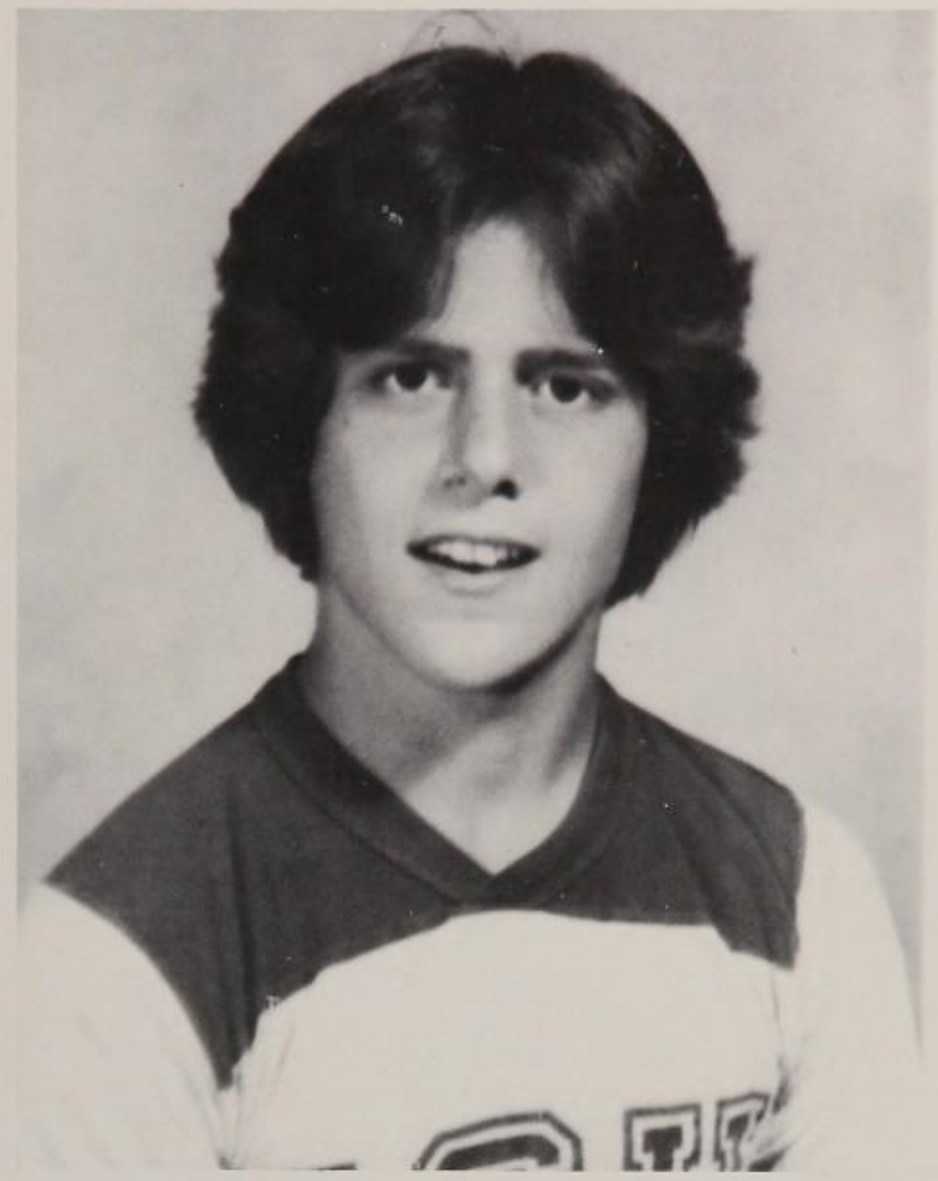
"The Hero"



He was so very strong

Never showing what was wrong

And everyone that knew him,

Seemed to look right through him

Loved and liked by all he met

He had so many friends except . . .

They'd never seen his struggles

And hadn't noticed his pain

Until one late September day

He left us in the rain

Funny . . . I thought he was O.K.

He read the hero in the play

But that was the hero I'd come to know

It wasn't really Danny.

Arty Artisans

Paint stained hands clutch a brown portfolio, which may contain the signs of a student's talent and interest in art. Students at LHS are fortunate in having an excellent faculty, a broad curriculum, and facilities for even the most advanced students. For those who only wish to dabble in art, there is an open door as well.

This lacks that little something, muses Mark Wagner

Future Aid

To many different fields

Helping students to help themselves is the main goal of the Guidance Dept. With one less counselor this year the number of students per counselor is on the increase.
Scheduling students is, in itself, a vast undertaking and that coupled with the always present schedule changes to assure that each of their counselees is carrying enough credit hours, in order to obtain that very valuable piece of paper known as a diploma keeps a counselor busy.

Each morning when one arrives at school everything is in perfect order. To find out how this miracle occurs one has only to remain after school and witness the elves in action, in the personages of our custodial staff, with their carts filled with cleaning chemicals. It is a never ending job and is accomplished daily.

Since lunch is the favorite subject of many students, it is no wonder that the "Happy Cookers", cashiers, and serving ladies in the Cafeteria rate among the most popular of the school personnel. The Cafeteria Workers and student body definitely relate to each other in a very compatible way.

We need you Custodians and Cafeteria Workers, and we'll all try to be more cooperative.

WHAT'S IT ALL ADD UP TO?

Calculators and computors — are they putting math, as we have grown to know it, in the background? They sure are great inventions but there's still a need for everyone to know the basics of mathmatics and advanced math for potential engineers, doctors and business majors. In short, to survive in today's fast moving world you'd better know your numbers.

BOOSTERS BOOST SPIRIT

LHS Student Boosters is an organization which concerns itself with all sports and athletes. Government By and For the Students

Student Council's success can be attributed to officers who care, an adviser who never seems to run out of enthusiasm and a group of student representatives who serve as Liaisons between their homeroom and council. Spirit Week is their main event for the year and with each successive year it seems to attract more student interest.

Happy Victors

Young, yet respectable

In June of 1980 five of the best golfers in years graduated. Mr. Mihocik began to rebuild. The teams success was not in their wins but rather in their ability to grow. Their improvement over the season showed a possibility of a great golf team. This is not to say that we didn't have some super players. Chuck Fichthorn led the team and was named All-League for his playing ability. This very young and inexperienced team is sure to be one of great possibility. GOOD LUCK NEXT YEAR GUYS!

Spirited by seniors Sheila Dugan and Jane McCaffery and all LEL honoree Tammy Burke, the 1980-1981 Ranger Volleyball team wiht 6-8 record spiked its way to a fourth-place tie with Valley Forge.

Highlights included a one game victory over league champion Shaker Heights, and a final at-home victory over Valley Forge. 1981-82 should be a very good year, with the returning of many talented players, including Most Valuable Player Burke, and Most Improved Player Olga Tsirambidis. Supporting the Varsity was an exceptional JV team, led by Inspirational award winner and Captain Liz Murray. The JV's finished the season with an 8-8 record, placing 3rd in the L-E-L.

Girls J.V. Basketball

The Varsity Wranglers played some great basketball during their 1980-81 season. Coach Marc Lewis charges had three members of the team, Seniors Kathy Koz, and Junior Tammy Burke and Kip Webber, named to the Dream Team and Presstars. Top Seeded in the North Ridgville Sectionals they showed their worthiness by winning the tourney. They then went on to win the District Tourney. Thus they were the first girls team to reach the regionals. Coach Dennis Fyffe's undefeated J.V.s are on a current winning streak of 64. Looks as if they'll make the Guiness Book of Records!

On his way to victory is Kevin Cofleur.

Sweet 'n swift

With determination as her guide, Mary Losey defiantly challenges the hurdles.

Striving to her mark is sophomore Chris Stevens.

Unbeatable high jumper Tammy Burke illustrates her powers.

Ambitious young female athletes who aspire for success make up the winning Girls' Track Team. Under the excellent coaching of Mrs. Jackie Fink, the team won sectionals and two events at districts. These same events qualified for state competition in Columbus. The state team included Kathy Nortz, Maureen Dugan, Liz Murray and Kelly Benko finishing 10th in the two mile relay, and Tammy Burke placing 10th in the 440.

How simple it all is for Jeff Beall

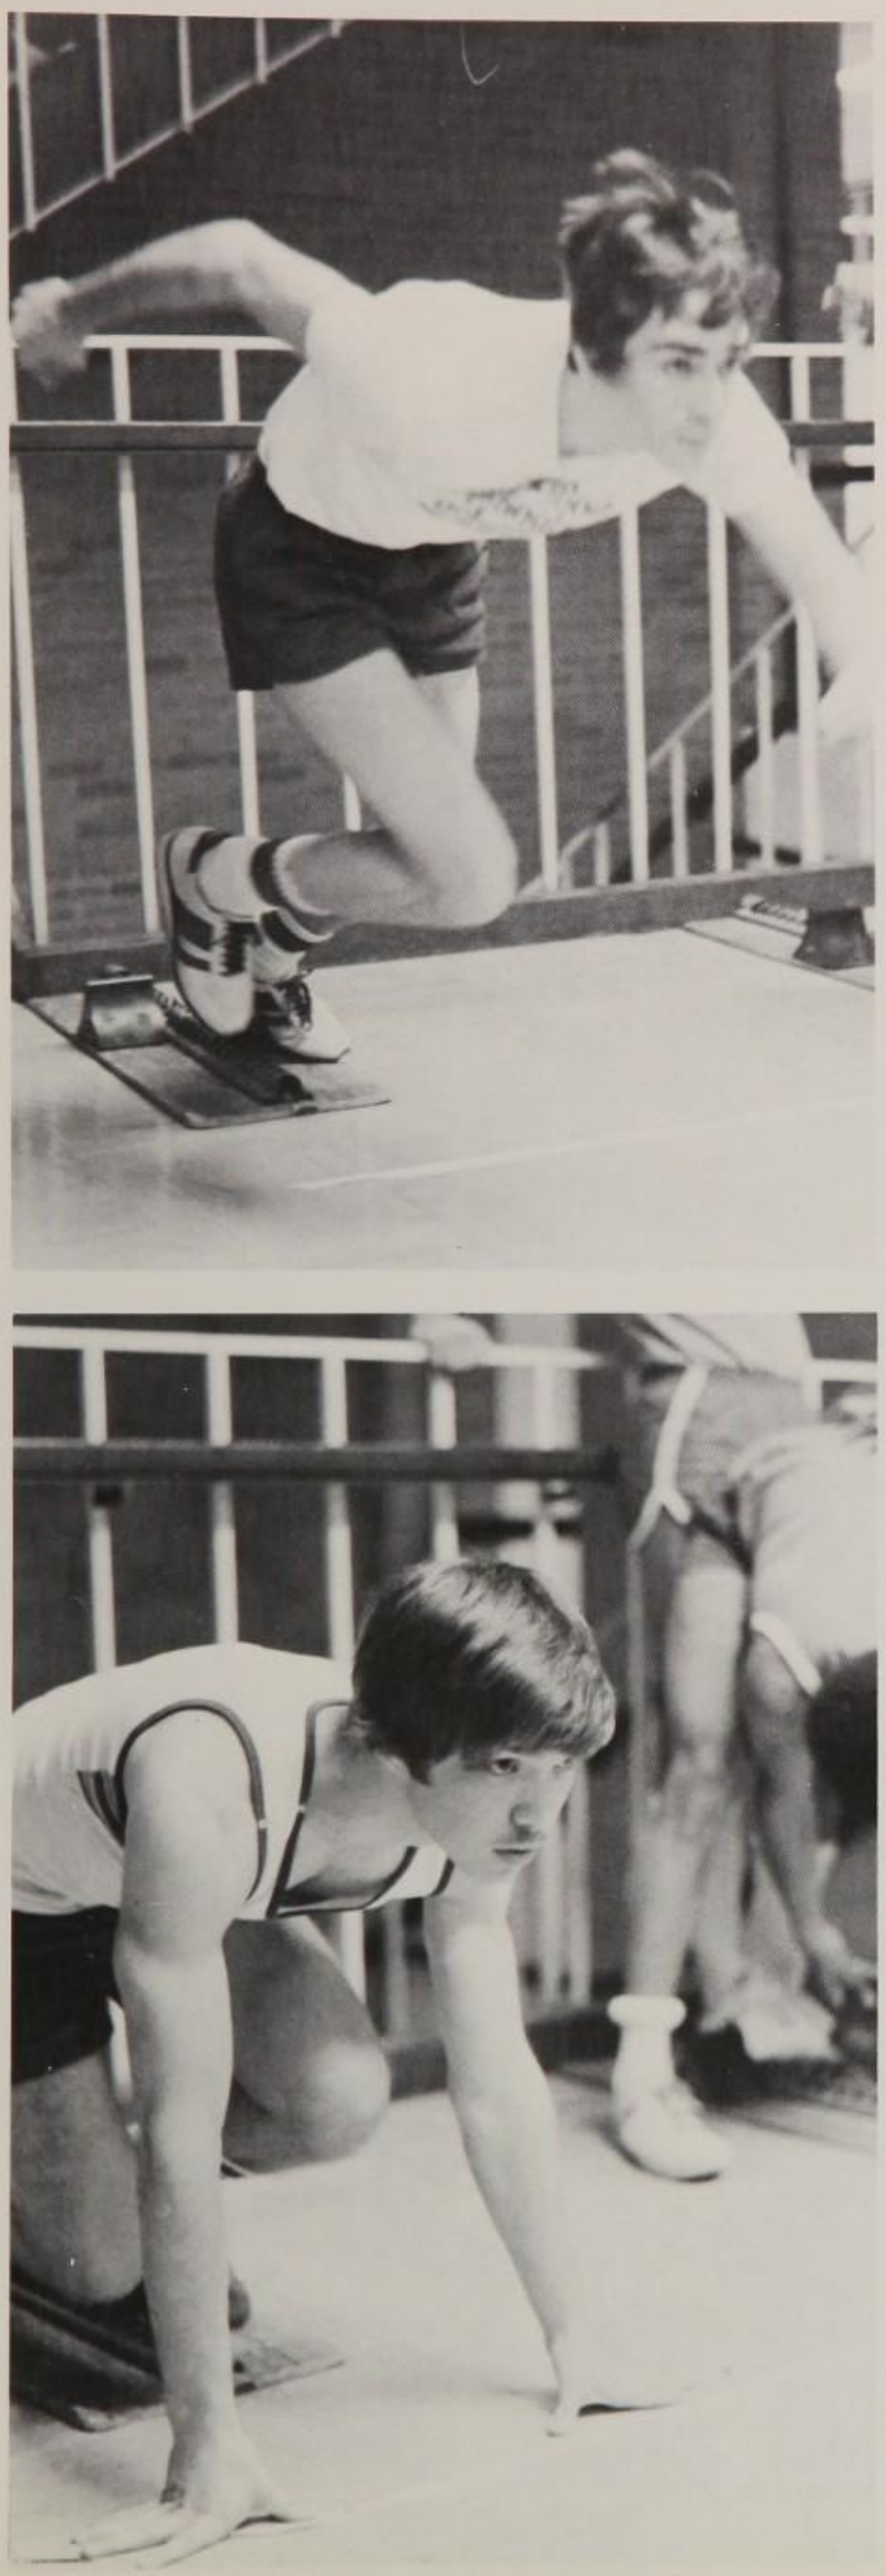
Hurdling Scott Cochrane

High jumping is Bob Williams' speciality

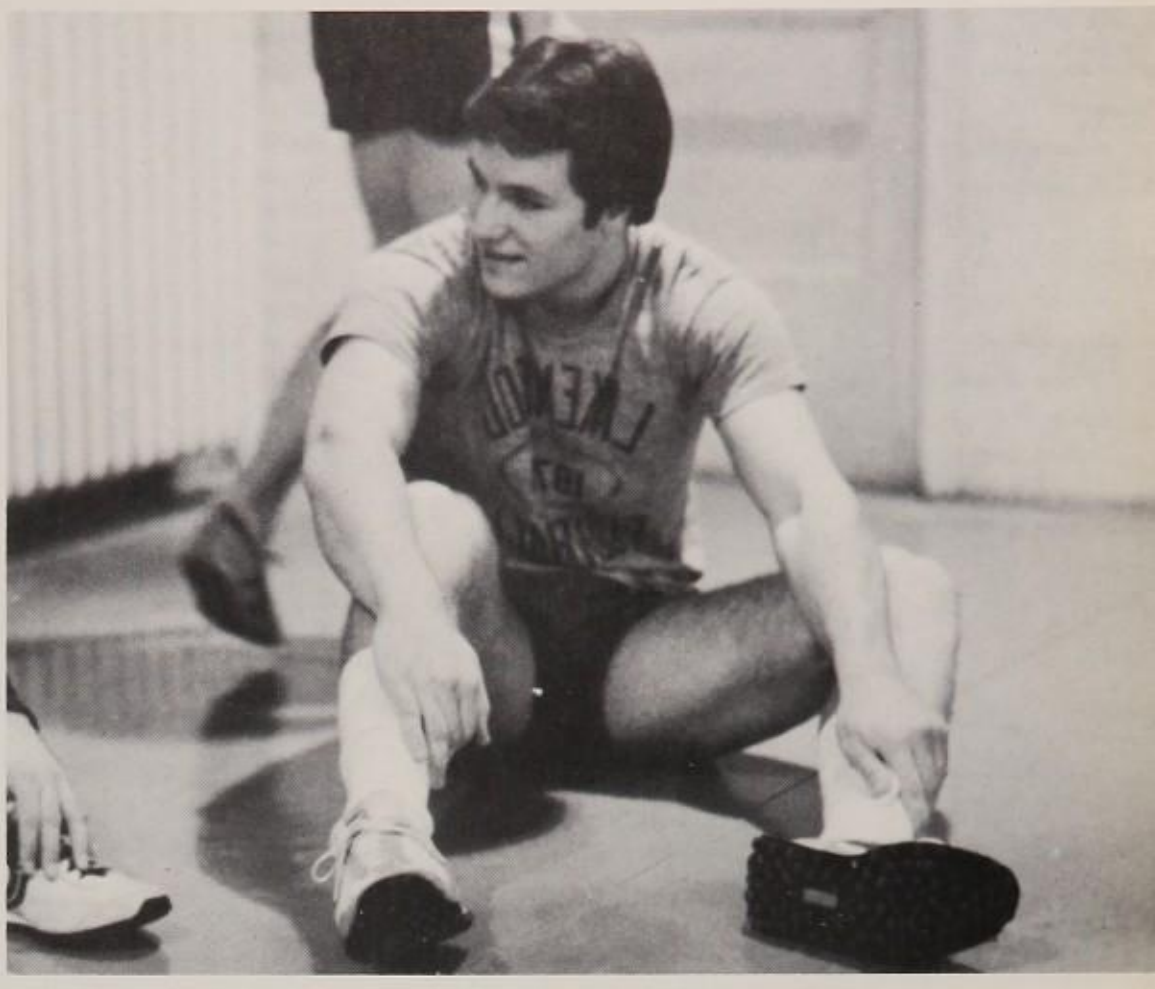
Hall hurriers and hurdlers

With indoor track as a tuneup, the track team, heavily laden with Seniors, managed to hold their own in all events. In some of the field events there was a lack of depth which meant those competing had to stay in top form. Coaches John Roush and Dan Gerome brought the boys along very well and got a 100% performance from all.

Taking off from the block is Mike Jacopak



Stretching those muscles is Eric Hamburg

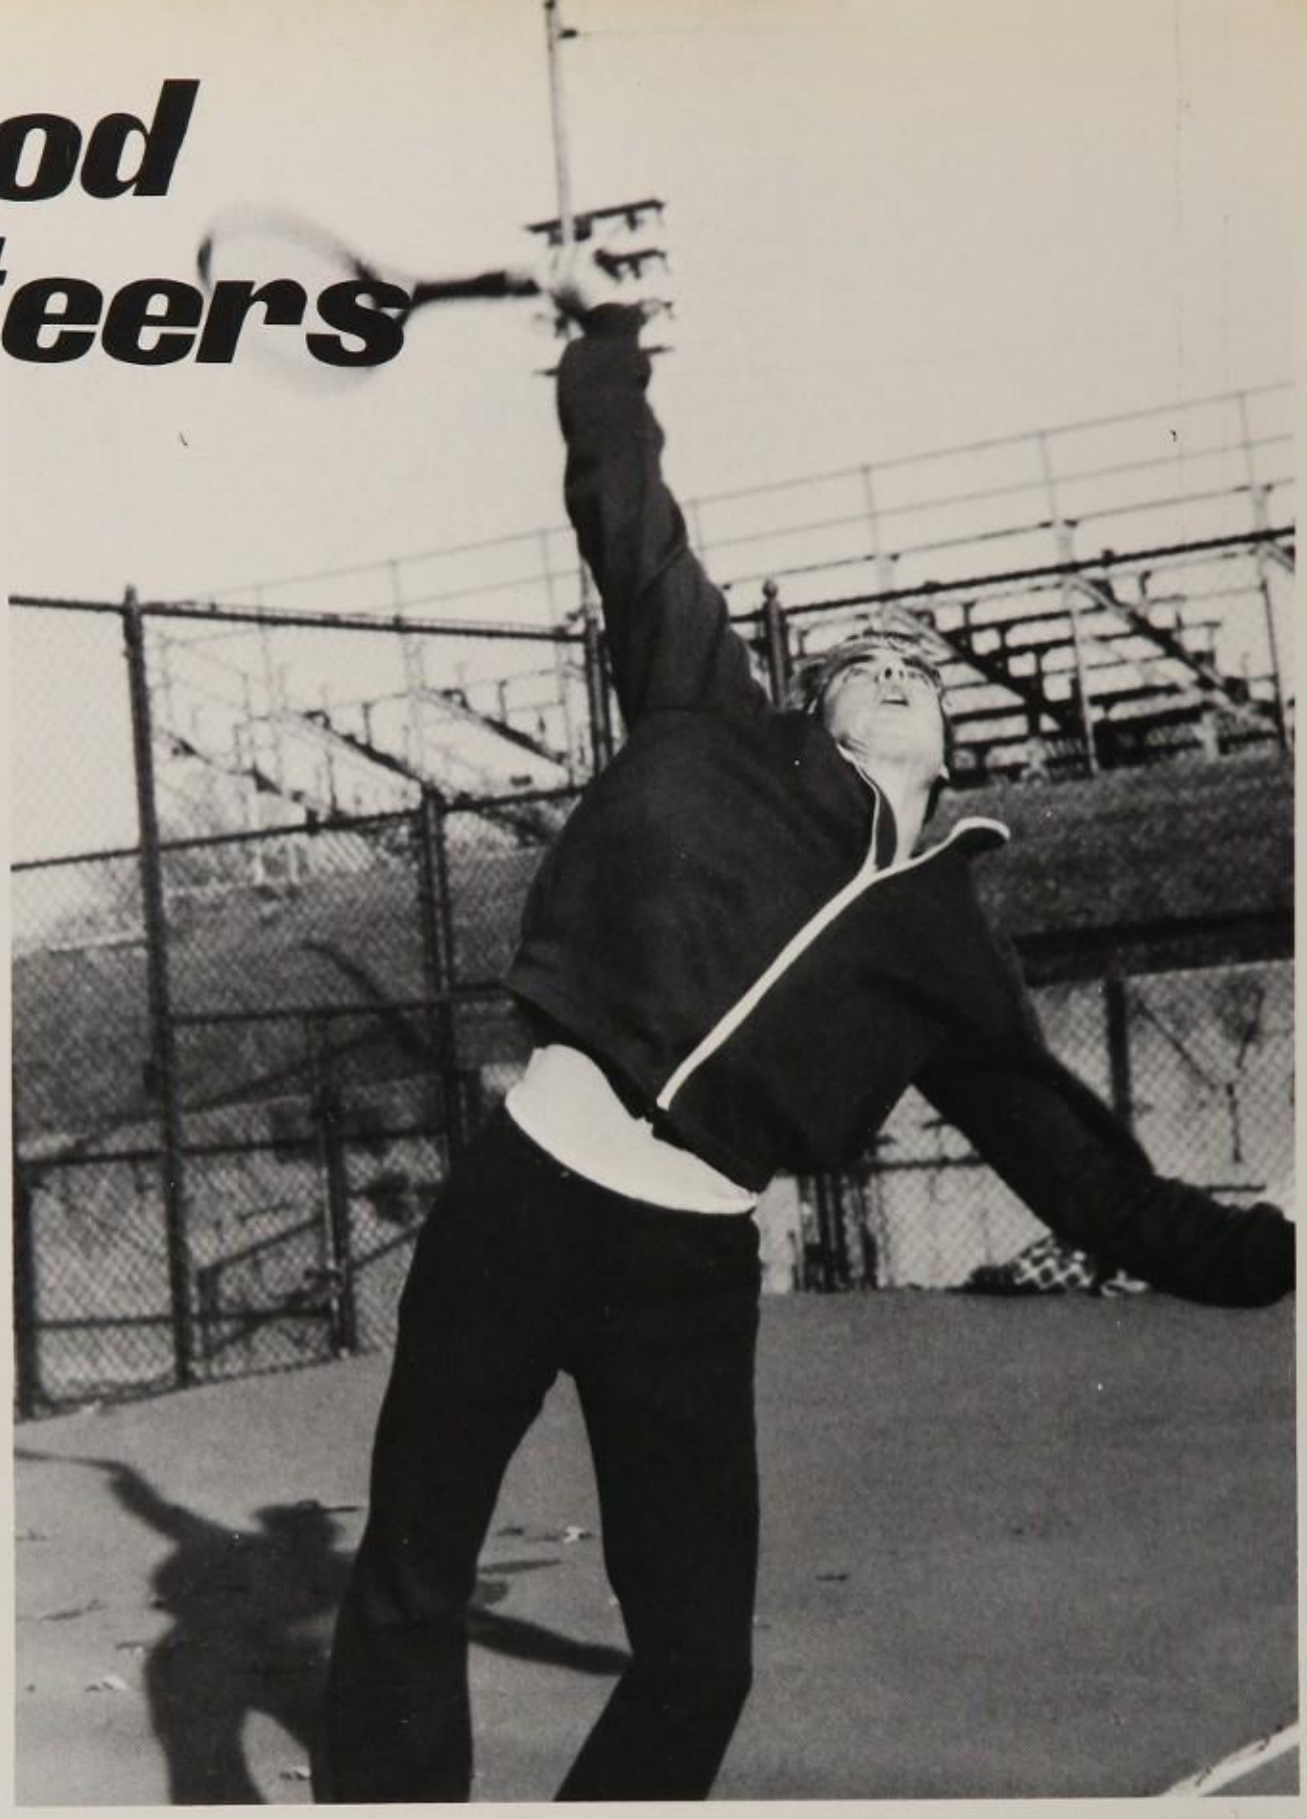


Timing, to Coach Gerome, is most important

On your Mark, Get Set, Go!!

Lakewood racqueteers

The LHS racqueteers have a contract out on the LEL boys tennis title. Leading the way will be Emery Szekely, John Horan, Ron Wood, and Jeff Burges. A new addition to the team is a foreign student, Aldo Romeo, who's success in Italy will be a great asset to the team. The team should also have some strong back ups in Eric Richards, Dan Curtain, Steve Ross, and Dave Stigel. The LHS racqueteers should rob the LEL of the boys tennis team title.

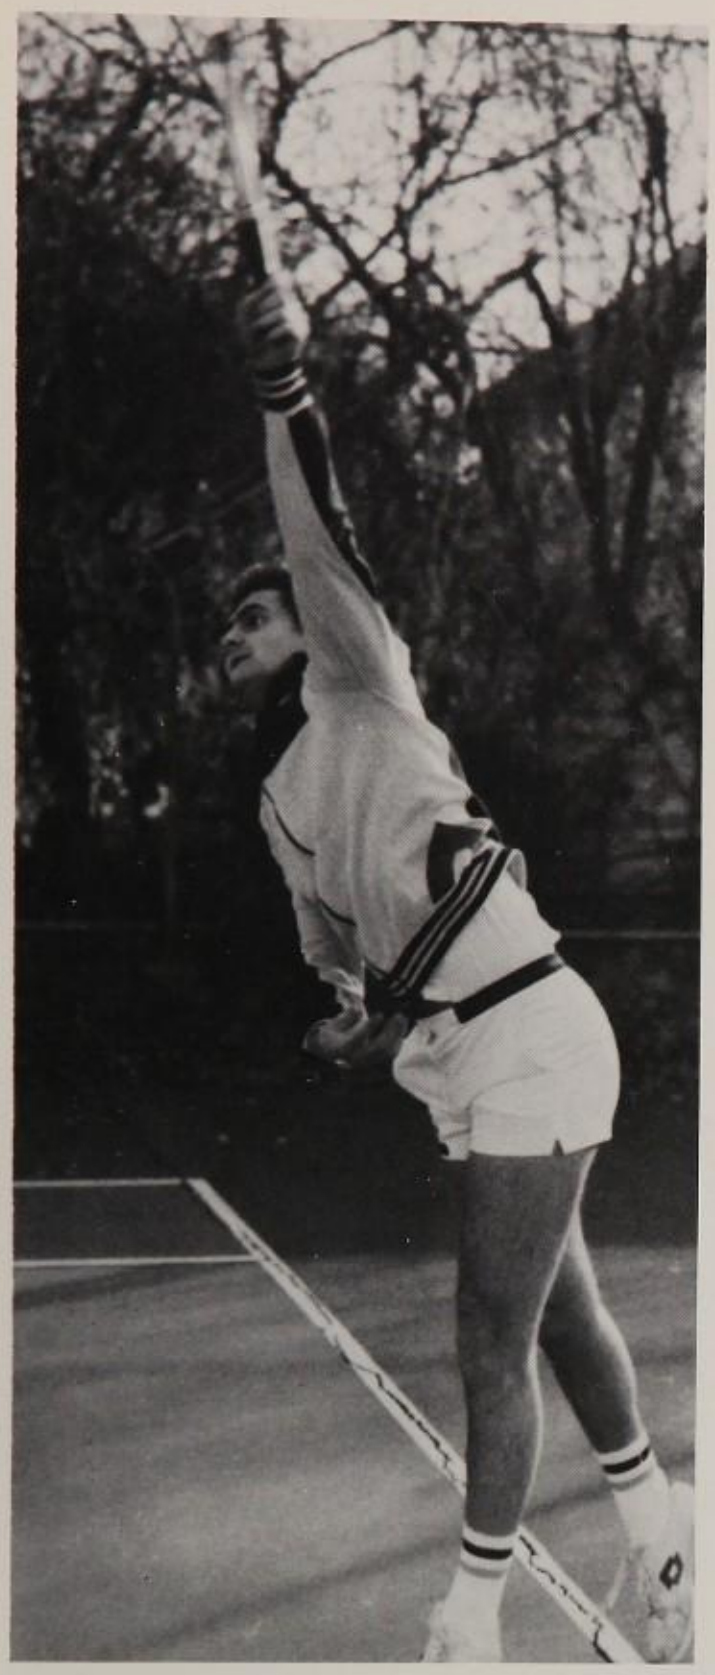


Ready on the serve, Emery Szekely lets his racquet rip.

Letterman: Ron Wood, John Horan, Emery Szekely, and Jeff Burgess.

Front row: Jeff Burgess, Eric Richards, Emery Szekely, Dan Curtain, John Horan, and coach William Hock. Second row: Steve Ross, Dave Stigel, Ron Wood. Missing is Aldo Romeo.

The Italian Stallion, Aldo Romeo, readies himself for the season.



Ron Wood returning a runaway ball.

Lax in his approach to serve, John Horan falls over.

Following through after a line drive is Jeff Burgess.

High as he can, John Horan swings to serve.

Front row: John Lesko, Paul Grivas, Harold Buckley, Arnie Rence, Mark Walter, Pat Butterfield. Second row: Kurt Zbin, Phil Mellinger, Jim Ward, Dan Pannier, Tim Danch, Todd Schmigel, Jim McQuire. Back row: Coach — Jeff Posendek, Tim Noe, Bob Schreiner, Steve Bond, Mike Starcovic, Ray Quirino, Neil Keim.

Baseball very very good to us

Another great season is sought by coach — Ken Ciolek. With eight returning lettermen at his control Ken hopes to make this season one of the winningest in LHS baseball history. The team's strong arms of Mike Vasey, Dave Shestina, George Anastosopoulos and batting excellence of Ed Glynn and Marty Stanton among the eight returning lettermen. Mr. Ciolek also has some fine JV's coming up that will add to the potential of another great season.

Front row: Marty Stanton, Mike Negray, Ed Glynn, Neb Ristic. Back row: Tim Lupton, Dave Shestina, George Anastosopoulos, Mike Vasey.

Softball shines

It was the softball team's 18-3 record that won them a tie for first place in the LEL. Dianne Richardson received the MVP award for her pitching excellence. She along with some of the other seniors and juniors from last year brought back yet another LEL 1st place trophy to the girls' athletic program at Lakewood.

Must have been one of their easier games from the looks of these five.

Jamie Cure consoles one of her distraught players.

Mr. Cochrane is displaying his talents by holding two softballs and a mitt all at the same time.

Cinema Staff

The Cinema Staff produced the 1981 edition, with no more or no fewer problems than confront yearbook staffs on a normal basis. The week before deadline date everyone was in the usual dither. All quieted down for a few weeks than another deadline presented itself. The staff worked long and hard to present the 1981 edition on time. Being a member of a yearbook staff is a true picture of life itself, with its highs and lows and whatever you want to make of it . . .
